

## **Commercial Administrator**

**Location: Bristol**

**42 Hours Per Week**

**Salary: upto £20,000 per annum dependent upon experience**

At VPS Property Solutions, we are specialists in delivering a broad range of temporary and emergency services to protect properties and assets. This is an exciting opportunity to join us during a time of change and growth.

### **Job info:**

You will be the first and ongoing point of contact for commercial customers and to effectively deploy resources to achieve sales targets & service standards. You will also source, correctly price and order the required materials for each job in line with the various client tariffs.

### **Key Skills Responsibilities:**

- Update system notes at every stage of activity workflow and respond to queries in a timely manner.
- Ensure all paperwork associated with jobs is checked on a daily basis, is scanned, and accurately input on to Mercury.
- Liaise with the Commercial Team, ensuring that all commercial jobs are up to date, with clear notes.
- Ensure customer is contacted following receipt of instruction details on Mercury and confirm details of claim and excess, and agree date and time for first visit including a summary of damage details, so engineer has clear instructions on PDA.
- Deploy first visit requirement to appropriate Service Engineer based on - skill requirements, geography and SLA (with minimum disruption to scheduled work).
- Determine the earliest most cost effective date for installation/repair giving full consideration to availability of materials and skilled labour, and requirement to maximise sales and meet service standards.
- Ensure customers are advised immediately it becomes apparent, of any changes in planned appointment updating the Commercial Team, where necessary, so the client is kept up to date.
- Advise your Manager of any anticipated shortfall in sales or service standard.
- Source all parts surveyed and create purchase orders and to check all orders to ensure no shortages by checking surveys and confirmations.
- Create quotations and ready to be sent to client.
- Liaise with line manager any discrepancies in surveys or ordering process.
- Liaise with Head Office team in regards to clients and service delivery to avoid any delays.
- Ensure all client specific forms and risk assessments are attached to jobs.

### **Skills/experience needed:**

- Previous experience within an administrative role in a customer facing environment.
- Working knowledge of MS Office 2000 Software Packages or later.
- Experience of working in the commercial glazing or similar sector is essential.
- Confident telephone manner.
- Ability to negotiate and deal with conflict.
- Ability to work as part of a team to achieve shared objectives / overall goals of the business.
- Effective and empathetic communicator with excellent verbal and written communication skills.
- Strong planning and organisational skills.
- Ability to coordinate and prioritise workload effectively.
- Ability to solve problems readily. Self-motivated and able to adapt to different circumstances.
- Personable, approachable and helpful.
- Flexible and adaptable approach to work.
- Team Worker – take “ownership” of their responsibilities within the team.
- Results oriented.
- Have a real passion to deliver great customer service and a resolute desire to get to ‘what the customer wants’ and deliver that plus more, to exceed the expectations of both customer and client.
