Are you a Glazier, Locksmith, Maintenance / DIY / Handyman expert?

We are seeking enthusiastic and dedicated individuals to join our team. If you have experience of Glazing repairs, locksmithing, good DIY skills or Handyman skills then we would be interested in receiving an application from you.

You do not need any previous Response Engineer experience as we will provide full training for people who are able to demonstrate the right attitude and appropriate base skills. You will undertake assigned emergency work/installations/repairs/surveys for domestic buildings for windows, door, locks and conservatories.

At VPS Property Solutions, we are specialists in delivering a broad range of temporary and emergency services to protect properties and assets. We are one of the largest glazing and locks companies in the UK and supply, fit a wide range of products, including garage doors, composite doors, front door and a diverse choice of windows. We also provide a national emergency locksmith and boarding-up service via our directly employed and fully vetted Engineers, 24 hours a day, 365 days a year, this is an exciting opportunity to join us during a time of change and growth.

Key Skills Responsibilities:

- Meet with Customers/ Clients at their homes and properties and undertake assigned emergency work//repair jobs to excellent standards.
- Securing properties and carrying out simple site surveys.
- Validate any claims made, ensuring they are consistent with the damage, ensuring that appropriate documentation is completed and photographs are taken of all damage.
- To work effectively and professionally within the policies, procedures, aims, objectives and philosophy of the company with your colleagues.

Skills/experience needed:

- Locksmith's skills – Preferable.
- Full Driving Licence - Essential.
- Previous experience in locksmithing, glazing industry advantageous, but full training is given.

- Knowledge and experience of using hand tools e.g. hammers, drills, chisels, screw drivers, saw's etc.
- Ability to demonstrate experience in a reactive environment.
- Take pride in exceptional workmanship.
- Self-motivated and able to adapt to different circumstances and knowledge as identified by you, your line manager, people you support and organisation.
- Person centred in all aspects of your role.

Why VPS?

- Fast growing business with excellent opportunities for career progression and development.
- You will be supplied with all of the equipment, tools and a company vehicle to be able to excel in the role.
- Full Response Induction Training at our new Bedford Training Centre
- Company pension scheme.
- Annual leave 20 days (increasing to 25 days) and 8 bank holidays
- Health Care Cash Plan, and Free Medical and Legal helpline.
- Company van, Uniform, PDA (Personal Digital Assistant/Smartphone), PPE (Personal protective equipment), Tools.

Please be aware due to the work that we undertake you will be required to undertake a Credit Check and Criminal Record and Barring Check known as a DBS check.

How to apply

Please provide a copy of your up to date CV and supporting covering letter detailing why you think you are suited to this role to the VPS recruitment team.

If you have not been contacted within 10 working days of your application, then please presume that you have not been successful on this occasion.
